Also in attendance were:

Jamie Adams, Warren Management Kevin Walker, Walker Schooler District Managers Kristina Kulick, Walker Schooler District Managers John Frerichs

- 1. Call to Order: The meeting was called to order at 2:04 p.m.
- 2. Declaration of Quorum/Director Qualifications/Reaffirmation of Disclosures: President Atkinson confirmed a quorum.
- 3. Approval of the Agenda: Director Espenlaub moved to approve the Agenda; seconded by Director Shepherd. Motion passed unanimously.

4. Consent Agenda Items:

- a. Approval of Board Meeting Minutes from the October 23, 2018 Meeting
- b. Acceptance of Unaudited Financial Statements as of October 31, 2018, the schedule of cash position updated as of October 31, 2018 and bank statements

Director Espenlaub noted a few edits on the October 23, 2018 Minutes and Mr. Walker said he will make the corrections. Director Espenlaub said he found 3 dogs on leash signs in the barn. Director Cawlfield said those may be the old signs and not the missing ones. Director Espenlaub asked about the debt service fund on the Financials and pointed out that the balance was \$140,000 and we will need to pay \$170,000. Mr. Walker clarified that we have

other current assets for property taxes received so we will transfer funds. Mr. Walker said he will make sure to find out how the accounts are reconciled. Director Shepherd moved to approve the Consent Agenda Items as amended by Director Espenlaub; seconded by Director Cawlfield. Motion passed unanimously.

5. Consideration of items removed from Consent Agenda: None.

6. Public Hearing to consider adopting the 2018 Amended and 2019 Budget Resolution: Director Heeter moved to open the public budget hearing; seconded by Director Shepherd. Motion passed unanimously. Mr. Kelley requested to make a public comment in reference to his concerns about the financials. He said the budget was in difficulty last year before the raised mill levy passed and the money budgeted was misspent and overspent. He said it appeared as though current bills were being paid with future money since there was not enough money. Director Heeter suggested to Mr. Kelley that he may be referring to the HOA; Mr. Kelley said there had been Metro District issues last year and he wants to know if the District is on budget for 2018. Mr. Walker explained that with the exception of the FEMA funds that have not been received, the budget was essentially balanced. Mr. Walker confirmed that the District is not in a deficit situation.

Director Heeter explained that the District transitioned from a developer board to a homeowner board in 2018. He added that in the past, money was spent without Board approval and that has been changed. The proposed budget has recategorized accounts to better reflect where money is spent and to give a more detailed view of the budget. Mr. Kelley asked if at the end of 2018 the District will be in a hole; President Atkinson said the current proposed budget shows a we think we will be ending 2018 with an ending balance is positive. Mr. Kelley said that is fabulous. Mr. Kelley asked if the Board knew what the result was of raising the mill levy and if the property taxes actually went up and if they thought it was necessary to raise the mill levy last year. Mr. Walker said the revenue from 2017 to 2018 property taxes to general fund went up \$16,000 dollars and that would have more to do with houses coming onto the tax rolls than the additional mill levy. The 2018 budget surplus will be close to \$39,000; better than the previous year but not yet healthy. The District is current with expenses going into the next year. Mr. Walker noted we are budgeting numbers that will get us to cover the capital expenses for next year, Mr. Kelley asked if the Board feels that raising the mill levy was the best thing to do. President Atkinson said yes, it was at the time. Director Cawlfield said we probably would have put the mill levy increase on the table since we needed to increase our cash reserves and build back up. Director Cawlfield asked what would have happened if we did not increase the mill levy. Mr. Walker said we would have had to cut back on expenses across the board in this years budget. Mr. Kelley asked if there is a thought for a mill levy increase for 2019. He also asked if the Board members had an increase in taxes this year after the mill levy. Director Cawlfield said he had a slight increase in taxes this year but it was to be expected. Mr. Kelley thanked the Board for the information. He said the Board has done a fabulous job. He has more confidence that the Board is in control of the spending. He is very happy and thanks them for the effort that made this happen. Director Heeter said he likes that it is a conservative budget with discipline to not spend without looking at the budget, due diligence of getting 3 bids if needed, and building back up the reserves for the unexpected. He said it will only get better from here. Director Shepherd said the current attitude is to be fiscally responsible and mitigate increasing the mill levy if possible.

Mr. Frierichs said he was invited in case anyone had questions on the snow removal. President Atkinson said the snow removal is \$16,000 of the budget. Mr. Kelley asked who paid for the snow plow and if it was the HOA or District. The Board confirmed the equipment is privately owned and purchased by Mr. Frierichs. Mr. Frierichs explained how he purchased the equipment after the County

was not doing the snow removal for the neighborhood. Director Cawlfield moved to close the public budget hearing; seconded by Director Shepherd. Motion passed unanimously. Mr. Frierichs left the meeting at 2:39 p.m.

The Board discussed the specifics of the budget. Director Espenlaub asked if we could reduce the infrastructure replacement by \$2,000 to balance the budget. President Atkinson said he thought the Lodge income was underestimated, but it is better to do it that way in case of unexpected expenses. He added that we may also get \$84,000 in FEMA funds at the start of the year Director Espenlaub moved to change the infrastructure replacement to \$34,000 from \$36,000 to balance the budget; seconded by Director Heeter. Motion passed unanimously. Director Espenlaub moved to adopt the 2018 Amended and 2019 Budget Resolution; seconded by Director Heeter. Motion passed unanimously. Mr. Walker explained the Resolution to the Board and the minor changes in numbers once the actuals are received. President Atkinson thanked the Board for their work on the budget.

7. Management Matters:

- a. Maintenance Update
 - Lodge: Ms. Adams said the women's restroom was painted and they sprayed the wall to prevent mold. The cost was less than \$1,000 for same day service. Invoice was received today from the roofing company to replace the tiles and they confirmed there is no asbestos. She asked three vendors to look at the mold in attic. Paramount did not respond, CCC came in at \$5,000 and 1-800 Water Damage was \$3,000 +/-. President Atkinson thanked Ms. Adams for work on this since we are very busy with Lodge bookings. Director Espenlaub asked Ms. Adams to have Mrs. Atkinson block off a week to have the work done. Director Shepherd moved to approve the bid from 1-800 Water Damage for the attic repairs; seconded by Director Espenlaub. Motion passed unanimously.

Director Cawlfield asked if the new furnace will require water since that is what caused the damage and if we need to have the other furnaces replaced to prevent this from happening again. The Board confirmed they plan to have the additional other furnaces replaced next year. The Board discussed and agreed that a comprehensive plan for all capital expenses should be done for next year. Director Espenlaub confirmed the calendar year ends December 31st, but funds really have to get us to March.

Landscaping, Irrigation, Trail: Ms. Adams said Down to Earth came and assessed the irrigation on Milam and they confirmed a break that will require them to open up a road. The estimate is \$6,000. Director Heeter asked about the timing of getting this done. Ms. Adams said it needs to be done before we fill the ponds next year. President Atkinson suggested waiting until March or April since they will charge more to break through frost in the ground. Director Cawlfield asked if the proposal is for excavation and repairs of the valves; Ms. Adams said they will do excavation and asphalt, and the District's contractor will do the valve repair. Director Heeter thinks we should have a plan so we can tell homeowners when we will have irrigation repaired.

Director Cawlfield asked for a few proposals on excavators for due diligence and noted we will also need a permit for traffic control. Ms. Adams confirmed the

Contractor will do the traffic control and it is included in the bid.

Director Heeter said that there was not an update on questions to the County. He suggested they proceed with getting A Cut Above trained to do repair work. Director Espenlaub asked the Board if he could do some work on the trails, and said he is willing to pay the \$400 for Workmen's Compensation himself. Director Cawlfield moved to approve spending \$400 so Director Espenlaub can work on the trails; seconded by Director Heeter. Motion passed unanimously. Director Espenlaub abstained from voting.

b. Lodge Rental Status and Lodge Operations -

- Contract Dropbox and Reporting Mr. Walker said his staff is working on the Dropbox and the new spreadsheet is in the packet. President Atkinson said Mrs. Atkinson put the calendar of events on the website and it is updated frequently. Director Cawlfield said he thinks it would be great if we could specify the year of the event of contracts and have them organized by year. Director Shepherd asked about the developer event on May 30th that does not show any fee. President Atkinson explained it is a developer's event; they are able to rent the lodge for free. He also discussed that resident events do not make a lot of revenue, but it is important to offer this to residents. President Atkinson noted that they will end 2018 with \$172,000 in Lodge revenue and \$120,000 was budgeted.
- Consider policy of not accepting cash payments Mr. Walker asked the Board to
 put a no cash accepted policy in place. The Board discussed other payment
 options such as credit cards, check, cashier's check or money order. Director
 Cawlfield asked if we need to update the rental agreement to reflect the policy
 change. The Board agreed that it could be added to the agreement to reflect no
 cash payments. Director Heeter moved to approve the policy of not accepting
 cash payments; seconded by Director Shepherd. Motion passed unanimously.
- c. Meeting with HOA The Board discussed the annual meeting with the HOA. Director Heeter discussed the HOA financial position and a possible ask for the District to take over more responsibilities. Director Cawlfield explained how the HOA revenue is fixed, but services such as trash and recycling costs have gone up. Director Heeter said it will not be a lot in terms of the District's budget, but there will be a request coming and he wanted to give the Board the heads up. Director Cawlfield asked if there would be a benefit if the District's responsibilities became only managing the budget, and HOA took over the irrigation issues, etc. Ms. Adams said it would require a major amendment to the Covenants. President Atkinson confirmed it was setup that way in the beginning because the Metro District owned it and they had the money. Mr. Walker said most communities are going the opposite direction with the Metro District managing and away from the HOA managing it. Director Shepherd suggested finding out what the priorities are of the homeowners, whether it be trail maintenance or trash services, etc. Director Heeter said a resident survey has been suggested.

Director Espenlaub asked if we want to ask for volunteers at the meeting for Board members. President Atkinson said he will resign effective at the end of the year. Director Shepherd thanked President Atkinson for his years of work on the Board. President Atkinson said he feels very comfortable with the new Board. The Board

decided to communicate with the community that there will be an opening in January and will take applications next week. President Atkinson suggested the Board discuss who they will be voting for as President so everything is ready to go and planned for; he thanked the Board and said he can walk away with good feelings. He added that he feels Mrs. Atkinson does a good job at the Lodge and hopes the Board would consider keeping her in that position. Director Heeter said the Board's intent is to simply understand the situation; discussing the management was not a criticism of the management.. Director Cawlfield suggested a slide in the power point presentation that addresses some of the challenges from the year and the major changes to the Board. Director Cawlfield said the dead landscape in the medians will come up, but he wants to also discuss the accomplishments and positive things.

d. Other matters - Ms. Adams said they are working on getting the lockers on property with the USPS from Denver so we can pour the concrete. Mr. Walker said he has not authorized the contractor yet until we have the lockers but will schedule them as soon as they are ready.

8. Financial Matters:

- a. Approval of Payables for the Period Ending November 9, 2018 Director Heeter moved to approve the payables for the period ending November 9, 2018; seconded by Director Shepherd. Motion passed unanimously.
- 9. Legal Matters: There was no discussion.
- 10. Public Comment: Mr. Kelley asked about the Lodge bookings and that it sounded like a surprise the developer gets to use the Lodge for free. President Atkinson said this is the very first time and that no booking fees are paid on this developer event, and there is a \$25 booking fee for residents. Mr. Kelley asked how the Board members are appointed and replaced. Mr. Walker explained if we had a resignation, the Board can appoint someone until the next election. The Board confirmed Director Shepherd was the only one who submitted a resume after the call earlier. President Atkinson explained how elections are expensive, and an election is held if there are more than one candidate going for the position. Director Cawlfield discussed the blast to the community to gauge interest, but they have not gotten great turnout. Mr. Walker said the 2020 and 2022 terms will only be 3 years to get on the odd years of election cycles, then it will go back to 4-year terms.

11. Other Business:
